## **DETAILED ACTION**

### ***Drawings***

1. The drawings were received on December 17, 2003. These drawings are accepted.

### ***Allowable Subject Matter***

2. Claims 1, 3, and 5-8 allowed.
3. The following is an examiner's statement of reasons for allowance:

Claim 2 contains allowable subject matter because none of the prior art of record discloses calculating the average value according to an amount of field current detected right after the switching element switches from on to off and an amount of field current detected right before the switching element switches from on to off, in combination with the remaining claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Response to Arguments***

4. Applicant's arguments, see Remarks, filed July 11, 2006, with respect to the objections and rejections have been fully considered and are persuasive. The objections and rejections have been withdrawn.

***Conclusion***
